The Yakima District Arboretum is a 1.4 kilometer loop trail located near Yakima, Washington, which offers the opportunity to see wildlife and good for all skill levels. The trail is mainly used for walking and natural trips. Length 1.4km Height get 3m Route Type Loop Nature Trip Walk Forest Wildlife Andy RecordingBeautiful Property! Bring the camera ... tons of ops photos. A great place to take family photos or events. Loved the WA tree area/exhibition. Cool to see them all next to each other and notice the differences. Definitely not a hike, but it's a lovely walk!! A nice walk with a few water features. Lots of geese, rabbits and squirrels to watch. See record A. First reviewlove this area. It's so calm early in the morning. I've seen mule deer, a lot of different birds, and squirrels quite often. The area is well preserved.
